

**ADDENDUM #1**

Please note the following changes to Tender No. TOPH202208 shall form part of the "Tender Documents".

This Addendum must be signed by the Tenderer in the appropriate space and must be incorporated into the tender documents and returned at the time of tendering. Tenders that do not include this Addendum, signed as required, may be rejected.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

**1. SECTION 00 41 43 – TENDER FORM (Section 4 – Schedule of Quantities and Unit Prices)**

- a. Replace the Tender Form with the attached Tender Form (pages 1 to 6) marked as Addendum 1.

**2. SECTION 00 74 00 – SUPPLEMENTARY SPECIFICATIONS (Section 01 22 00 – Measurement and Payment)**

Add the following:

77 Street Lights

.1 Pole and Fixture

Unit of Measurement: Each

This item includes: the replacement (supply and installation) of street light poles and fixtures along with pole base plates to match existing foundation bases and anchor bolts to manufacturers specifications. The intent is to reuse all existing wiring, conduit, and associated infrastructure, and replace only the wiring inside the poles and bases as needed. Upon completion, the entire system, including all listed items, is to be properly installed, safe and operational as per all applicable sections of the Canadian Electrical Code and applicable standards and codes.

Replacement luminaires shall be Lumca Cosmo, Type V distribution, 4000K, 2800 lumens, complete with photocell and 7-pin twist lock receptacle, cat #PR8475-18LED05 30W-120-L5-40K-BK-SGP-10-TRP. Poles shall be Lumca Cosmo, 12' in height, 4" diameter, colour to match luminaire, complete with base cover. Existing anchor bolts to be reused, with new pole baseplate to match existing bolt pattern.

.2 Foundation (Provisional)

Unit of Measurement: Each

This item includes: removal of existing street light foundation bases, common excavation, backfill, reinforcing steel, concrete formwork, rebar, anchor bolts, internal conduit to 450mm outside of base and connection to existing conduit runs.

**ADDENDUM #1**

August 9, 2022

Port Hawkesbury, NS

Tender No. TOPH202208

---

.3 Existing Foundation Inspection

Unit of Measurement: Each

This item includes: excavation for exposure of the existing street light foundations for Engineer inspection, verification of anchor bolts, support of the pole as needed, backfill, compaction and surface reinstatement as well as associated traffic control and coordination.

**TENDER FORM (Addendum 1)**

**1. SALUTATION:**

- .1 To: Jason Macmillan, CET  
606 Reeves Street – Unit 1  
Port Hawkesbury, Nova Scotia B9A 2R7
- .2 For: Tender No. TOPH202208  
Active Transportation Corridor: Water Street Boardwalk  
Port Hawkesbury, Nova Scotia
- .3 From: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**2. TENDERER DECLARES:**

- .1 That this tender was made without collusion or fraud.
- .2 That the proposed work was carefully examined.
- .3 That the Tenderer was familiar with local conditions.
- .4 That Contract Documents and Addenda No. \_\_\_ to \_\_\_ inclusive were carefully examined.
- .5 That all the above were taken into consideration in preparation of this Tender.

**3. TENDERER AGREES:**

- .1 To enter into a contract to supply all labour, materials and equipment and to do all work necessary to construct the Work as described and specified herein for the unit prices stated in Subsection 4 hereunder, Schedule of Quantities and Unit Prices.
- .2 That the Total Tendered Price shall be the sum of the products of the tendered unit prices times the quantities in Subsection 4 hereunder.
- .3 That the unit prices shall be the basis for the Total Tender Price, and if the amount tendered for an item does not agree with the sum of the tendered unit price multiplied by the estimated quantities for that item, then the amount tendered for that item and the Total Tender Price shall be corrected by the Owner accordingly.
- .4 That the Owner, in evaluating a tender, will be guided by the following:
- .1 Where the bids submitted in response to an invitation to bid are higher than the estimated contract value, bids shall not necessarily be

**TENDER FORM (Addendum 1)**

invalidated for this reason.

- .2 If the lowest competent bid is greater than the available funding, the Owner may choose to:
  - .1 Award the contract for the bid amount.
  - .2 Negotiate changes to the scope of work with the lowest competent tenderer (within the framework of the original tender call, including all subcontractors listed) to achieve an acceptable contract price. If negotiations fail, the Owner can make changes to the scope of work and re-tender the work.
  - .3 Cancel the Tender.
  - .4 Make major changes to the scope of work (more than ten percent (10%) of the estimated contract value) and re-tender the work.
  - .5 Make minor changes to the scope of work (less than ten percent (10%) of the estimated contract value) and negotiate changes with the lowest competent tenderer to achieve an acceptable contract price. If negotiation fails, the Owner can make changes to the scope of work and re-tender.
- .5 That the Owner reserves the right to make any change, additions or deletions to the estimated quantities.
- .6 That this Tender is valid for acceptance for sixty (60) days from Tender Closing.
- .7 That measurement and payment for items listed in Subsection 4 hereunder shall be in accordance with corresponding items in Section 01 22 00 Measurement and Payment and Section 00 73 00 – Supplementary Specifications.
- .8 To provide evidence of ability and experience within three (3) working days of request, including: experience in similar work, work currently under contract, senior supervisory staff available for the project, equipment available for use on the Work, a proposed schedule of work for the project and financial resources.
- .9 To execute in triplicate the Agreement and forward same together with the contract security and insurance documents to the Owner within ten (10) working days of written notice of award.
- .10 That failure to enter into a formal contract and give specified insurance documents and contract security within the time required will constitute grounds for forfeiture of certified cheque or enforcement of bid bond.
- .11 That if certified cheque is forfeited, Owner will retain difference in money between amount of Tender and amount for which Owner legally contracts with another party to perform the Work and will refund balance, if any, to Tenderer.

- .13 To complete the Total Performance of the Work by September 02, 2022.
- .14 That the Contract Documents include:
- .1 STANDARD SPECIFICATION FOR MUNICIPAL SERVICES, latest version, issued by Nova Scotia Road Builders Association – Consulting Engineers of Nova Scotia Joint Committee on Contract Documents, dated January 2019.
- .2 Standard Specification Highway Construction and Maintenance, Nova Scotia Transportation and Infrastructure Renewal, most recent edition.
- .3 Project Documents:
- .1 Tender Form – Section 00 41 43
- .2 Supplementary Tender Information – Section 00 43 00
- .3 Form of Agreement – Section 00 53 43 (for information purposes only)
- .4 Supplementary Specifications – Section 00 73 00
- .4 Drawings:
- Active Transportation Corridor: Water Street Boardwalk – Issued for Tender Submission – July, 2022
- | <u>Sheet #</u> | <u>Drawing #</u> | <u>Sheet Name</u>            |
|----------------|------------------|------------------------------|
| Cover          |                  | Cover Sheet                  |
| C01            | 1                | Water Street: 0+000 to 0+300 |
| C02            | 2                | Notes and Details            |
- .5 Addenda as issued and as confirmed in subsection 2.4 of this section.
- .15 To provide the local municipal authority with all required securities and bonding associated with the completion of the Work, as required.
